

Chatswood Private Hospital (CPH) is a part of the Presmed Australia (PMA) group of day hospitals. The CPH and PMA group are members of the Australian Council on Healthcare Standards (ACHS) along with other public and private health facilities across Australia. Every six months, all PMA facilities submit clinical outcomes data to the ACHS to compare and benchmark our clinical care. This data is evaluated by staff, doctors and management to improve patient care, service delivery and quality improvement. Review of our data for the second half of 2016 demonstrates excellent results consistent with high standards of patient safety and clinical outcomes. Below are some key highlights:
